

**Product Awareness Bulletin – May 2018**

**PRODUCT UPDATES: Aspire Bedroom Safety & Support range**

We are pleased to announce the Aspire Bedroom Safety & Support range. The Aspire Bedroom Safety & Support range has been designed with user comfort and safety in mind.

Bed poles, cradles and rails ensure carers can provide safety and support for residents without compromising comfort in their bedroom environment.

**Free Standing Self Help Pole – BEA013100**

- Free standing support handle provides assistance for the user to reposition or transfer in and out of bed
- Handle height is easily adjusted to suit the user
- Sits behind or beside the bed

## Additional Resources:

A brochure for Aspire Bedroom Safety & Support. The top section features the Aspire logo and the text 'aspire BEDROOM SAFETY & SUPPORT'. Below this, there is a small paragraph: 'The Aspire Bedroom Safety & Support range has been designed with user support and safety in mind. Bed poles, cradles and rails ensure carers can provide safety and support for residents without compromising comfort in their bedroom environment.' The main part of the brochure is a collage of images showing various bed safety products: a bed pole, a bed cradle, and a bed rail. There are also icons for 'DVA Contracted' and '1 Year Warranty'. At the bottom, the Aspire logo is repeated along with the website 'www.aspirecare.com.au' and the phone number '1300 133 120'.
