

**Product Awareness Bulletin – January 2020**

**New Product Release! Aspire Advanced Electric Stretcher**

We are pleased to let you know that the Aspire Advanced Electric Stretcher is now available and in stock.

**Key features:**

- **X-ray capability and electric operation:** Radiolucent platform with electronic adjustment facilitates full body x-ray imaging.
- **Infection control:** Wipe clean surfaces adhere to stringent infection control procedures.
- **Grip and Glide:** Ergonomic grip handles and fifth centre wheel, enhance maneuverability and steering in restricted spaces and corridors.
- **Comfortable pressure reducing mattress:** 100mm mattress helps to prevent shear and promote optimal skin microclimate.

**Aspire Advanced Electric Stretcher – TSE674230**
