**NEW PRODUCT! Aspire Side Folding Walker**

These are going to be walking out the door, so make sure you check out our new Aspire Side Folding Walker!

This nifty little walker folds down for ease of storage, is height adjustable to suit a large range of user heights and has the ability to be converted to a 'rollator' like device with skis and wheels.

In addition to this, Aspire Side Folding Walkers come retail packaged so they can take pride of place in your retail stores!
