About Us

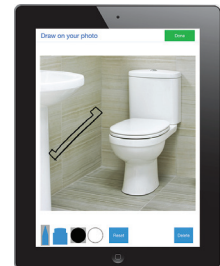

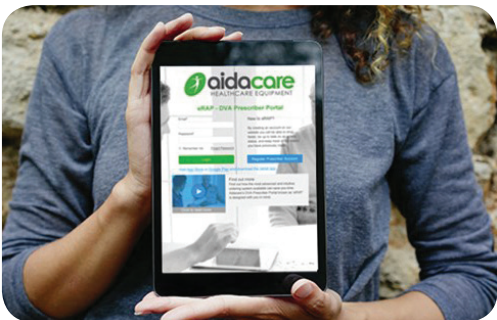

Aidacare is one of Australia's largest Healthcare Equipment and Service providers. Since 1987, for over 25 years, our business has been assisting Australians in the Hospital; Residential Aged-Care; Home & Community Care; and Rehabilitation sectors. Our focus on product quality and ongoing services & support has made Aidacare & Aspire trusted brands throughout Australia. That's why you'll find us on most Government Healthcare Equipment Contracts and in Supply Agreements with many Private Sector Healthcare organisations.

DVA - ERAP Portal

Aidacare is proud to be an official DVA contracted service provider on the Rehabilitation Appliance Program (RAP) for the supply of Mobility and Functional Supports to Veterans nationally. The Rehabilitation Appliances Program (RAP) assists entitled veterans, war widows & widowers and dependents through the provision of aids and appliances under the DVA Mobility & Functional Support program (MFS) to minimise the impact of disabilities, enhance their life and maximise independence when undertaking daily living activities. eRAP is Aidacare's mobile platform for Health Providers to submit RAP direct order forms. Prescribers can access our eRAP via the web portal or via our iPad app.
