## Emergency Crash Carts

The **Avalo Emergency Crash Cart** defines a new standard of organisation and function with a host of features that provide reliable performance and promote improved workflow in emergency departments.

The unique breakaway locking handle offers optimal security and the simple access essential to every emergency response.

Stable manoeuvrability is built-in to every cart, as well as a full line of accessories enhances user efficiency and support code team performance.

*Quick-Access lock offers the security you require and ensures quick access to code cart supplies*

*Optional Accessories: Cardiac Board, IV Pole, Oxygen Bottle Holder, Defibrillator Tray, Defibrillator Tray Mount, Glove Holder, Waste Bin, Sharps Bin Holder*

## Paediatric Crash Carts

The **Avalo Paediatric Crash Cart** is designed for use with the proven clinical methodology for treating life-threatening emergencies in paediatric patients. When seconds matter, the color coded drawers enable doctors and clinicians to quickly identify critical supplies when responding to paediatric emergencies.

Contents are secured with a breakaway locking handle, yet a simple and swift motion can quickly break the tamper-evident seal giving access to all drawers and emergency supplies.

*Removable drawer trays promote orderly storage and organisation of emergency supplies*

*Optional Accessories: Waste Bin, Sharps Bin Holder*

## Isolation Carts

The **Avalo Isolation Cart** provides innovative features that promote long-term, reliable function and value. Large-volume seamless drawer trays are supported by a unique guide system that ensures consistent performance year after year. Drawers open fully allowing easy access to contents in the rear of the drawer, and stay closed when the cart is in motion.

*Spread Caster Position provides stability control by moving the wheels out toward the corners of the cart frame*
